Dear Ms. Willy,

It is kind and thoughtful of you to have taken time during your Xmas break for your card. I appreciate this and the nice things you said. Thanks.

Our address is a problem but you used the correct one.

As the area grew the post office kept breaking the rural routes down and thus we had three different route numbers (a wrong fourth through a typo in Books in Print!) and now a street address, without moving after we left Hyattstown.

Comments like yours are meaningful to me because my work is for others, people like you, particularly young people who may, in time, be able to make this a better world than the one into which they were born.

Thanks and best wishes,
